**DIVISION OF MUNICIPAL ACCOUNTING

February 15, 1954

Board of Selectmen
Holderness, New Hampshire
Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Holderness for the fiscal year ended December 31, 1953, which was made by this Division in accordance with the vote of the Town.

Scope of Audit

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Fire Department and Trustees of Trust Funds.

FINANCIAL STATEMENTS

**Comparative Balance Sheets—December 31, 1952—
December 31, 1953: (Exhibit A)**

Comparative Balance Sheets as of December 31, 1952 and December 31, 1953, are presented in Exhibit A. As indicated therein, the Surplus decreased by \$8,888.42 in 1953.

Analysis of Change in Financial Condition:

(Exhibit B)

An analysis of the change in financial condition of the Town during the year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

Decreases in Surplus

Net Budget Deficit	\$ 11,211.91	
Settlement of 1951 Head Tax		
Account	220.00	
Increase in Accounts Payable	550.00	
	<hr/>	\$11,981.91

Increases in Surplus

Long Term Notes Paid	\$ 3,000.00	
Adjustment in Settlement of 1952		
Head Tax Account	93.49	
	<hr/>	\$ 3,093.49
Net Decrease		<hr/> \$ 8,888.42

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues:

(Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1953, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net overdraft of appropriations of \$12,315.10, less a net revenue surplus of \$1,103.19, resulted in a net budget deficit of \$11,211.91.

Summary of Receipts and Expenditures:

(Exhibit E)

A summary of receipts and expenditures for the fiscal year ended December 31, 1953, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of December 31, 1953, is indicated in Exhibit F.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

GENERAL COMMENTS

Overdraft of Appropriations:

The budget summary (Exhibit D) indicates:

Overdrafts of Appropriations	\$ 15,222.46
Unexpended Balances of Appropriations	2,907.36

Net Overdraft of Appropriations \$ 12,315.10

This situation was largely the result of flood damage to highways and bridges which caused an overdraft in the highway appropriation of \$14,923.58, as shown by Exhibit C.

The Town of Holderness has adopted and operates under the provisions of the Municipal Budget Law (Chapter 52, Revised Laws, as amended), Section 5 of which provides as follows:

"5. Exceeding Appropriations. In towns adopting the provisions of this chapter, no board of selectmen, school board, commissioners of a village district wholly within said town, or other expending agency shall pay or agree to pay any money or incur any liability involving the expenditure of money for any purpose for which an appropriation has not been made, or in excess of any appropriation or allotment made to it, except for the purpose of paying judgments rendered against the town or school district or said village district, provided, however, that in case of sudden and unexpected emergency the selectmen or village commissioners on application to the tax commission and the school board on application to the state board of education, after hearing, may be given a certificate of emergency authorizing them to make such expenditure or incur such liability, provided that no such certificate of emergency shall be granted unless the budget committee of the town has approved the expenditure. In cases arising during the year following the annual meeting where changes occur which make it unnecessary to use the amount appropriated for

a specific purpose, an unexpended balance may be transferred by the board of selectmen or the school board or the village commissioners of such village district from one appropriation to another, provided the total amount expended for all purposes does not exceed the total amount appropriated at the town, school or village district meetings for all purposes."

It is therefore noted that contrary to the provisions of Section five, (1) total expenditures in 1953 exceeded total appropriations and (2) no application was made to the Tax Commission for a certificate of emergency authorizing expenditures in excess of appropriations.

Conclusion:

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual town report. This letter of transmittal should be included in its entirety.

We extend our thanks to the officials of the Town of Holderness for their assistance during the course of the audit.

Yours very truly,
HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Alan R. Matthews, Auditor
Edgar O. Pesquera, Accountant
